is a bad way to pass legislation. I think it should not pass. When we vote on it now I call for a record vote ... a machine vote.

PRESIDENT: Senator Frank Lewis.

SENATOR F. LEWIS: Mr. Chairman, I'm glad to see so many coming over to the side that we don't need to provide transportation. I'm in the process now of preparing an amendment that requires that no school district must transport any child, which I think will resolve the problem at hand and return to the local schools that control that they want. Then they can simply provide the transportation they need. Based on Senator Murphy's remarks and based on Senator Dickinson's remarks, I'm sure they'll support that particular amendment. If the Clerk will give me just a moment here I'll draft that.

PRESIDENT: The question is the advancement of the bill. We've had a request for a machine vote. Record your vote. Please vote. Record.

CLERK: 18 ayes....

SENATOR F. LEWIS: Mr. Chairman.

SENATOR F. LEWIS: I'm standing up I think we might as well get this over with one way or another. I'd ask for a Call of the House.
